Read all of this insert carefully as it contains important information for you.
LOCAL HEALTH HERBAL CALM is available without a doctor's prescription, for you to maintain your health. Nevertheless, you still need to use LOCAL HEALTH HERBAL CALM specifically to get the best results from it.

- Keep this leaflet, you may need it again.
- Do not share LOCAL HEALTH HERBAL CALM with any other person.
- Ask your healthcare practitioner or pharmacist if you need more information or advice.

What is in this leaflet

- What LOCAL HEALTH HERBAL CALM is and what it is used for.
- What you need to know before you use LOCAL HEALTH HERBAL CALM.
- How to take LOCAL HEALTH HERBAL CALM.
- Possible side effects.
- How to store LOCAL HEALTH HERBAL CALM.
- Contents of the pack and other information.

1.What LOCAL HEALTH HERBAL CALM is and what it is used for.

LOCAL HEALTH HERBAL CALM is a complementary medicine that:

- Helps to promote sleep as a sleep aid, particularly during times of stress.
- Helps to relieve restlessness and nervousness.

2.What you need to know before you use LOCAL HEALTH HERBAL CALM.

Do not take LOCAL HEALTH HERBAL CALM:

- If you are hypersensitive (allergic) to the active ingredients or any of the other ingredients of LOCAL HEALTH HERBAL CALM (listed in section 6).

Warnings and precautions

Take special care:

- If you have a medical condition or if you are currently taking any other medicine.
- To consult a healthcare practitioner should sleeplessness persist for more than 4 weeks (chronic insomnia).
- To consult a healthcare practitioner if symptoms persist or worsen.
- If you are taking other medicines to calm you or make you less anxious (see below **Other medicines and LOCAL HEALTH HERBAL CALM**).
- If you are having any surgical procedure done, you should stop taking LOCAL HEALTH HERBAL CALM two weeks before an operation.

Children and adolescents

Not suitable for individuals 18 years and younger. Consult with your healthcare practitioner before using.

Other medicine and LOCAL HEALTH HERBAL CALM

Always tell your healthcare practitioner if you are taking any other medicine. This includes all complementary or traditional medicines. Not all possible interactions with other medicines may be included in this leaflet. Consult a healthcare practitioner prior to use if you are taking any other medicine.

The use of alcohol or medicines to calm you, make you less anxious or help you sleep (barbiturates and benzodiazepines) together with LOCAL HEALTH HERBAL CALM may make you feel more drowsy or sleepy.

LOCAL HEALTH HERBAL CALM with food and drink

Avoid drinking alcohol if you are taking LOCAL HEALTH HERBAL CALM. See Section 3.

Pregnancy, breastfeeding and fertility

If you are pregnant, planning to become pregnant, or are breastfeeding please consult your doctor, pharmacist or healthcare practitioner before using LOCAL HEALTH HERBAL CALM. Safety in pregnancy has not been established.

Driving and the use of machinery

LOCAL HEALTH HERBAL CALM may make you feel drowsy or sleepy. Do not drive a vehicle or operate any machinery requiring your attention until you know how LOCAL HEALTH HERBAL CALM affects you.

3.How to use LOCAL HEALTH HERBAL CALM.

Do not share your medicines with any other person.
Always give LOCAL HEALTH HERBAL CALM exactly as prescribed in this leaflet or as your healthcare practitioner has instructed. Check with your healthcare practitioner if you are not sure.

Adults 18 years and older

For restlessness/nervousness: Take one capsule up to three times daily, or as directed by your healthcare practitioner.

As a sleep aid: Take one or two capsules an hour before bedtime, or as directed by your healthcare practitioner.
Do not exceed the recommended dosage.

4.Possible side effects.

LOCAL HEALTH HERBAL CALM can have side effects.
Not all side effects reported for LOCAL HEALTH HERBAL CALM are included in this leaflet. Should your general health worsen or if you experience any untoward effects while taking LOCAL HEALTH HERBAL CALM please consult your healthcare practitioner for advice.

If any of the following happens, stop using LOCAL HEALTH HERBAL CALM and tell your doctor or pharmacist immediately, or go to the casualty department at your nearest hospital:

- swelling of the hands, feet, ankles, face, lips and mouth or throat, which may cause difficulty in swallowing or breathing;
- rash or itching;
- fainting.

These are very serious side effects. If you have them, you may have had a serious reaction to LOCAL HEALTH HERBAL CALM. You may need urgent medical attention or hospitalisation.

Tell your doctor if you notice any of the following:

- abdominal pain,
- dyspepsia (indigestion),
- bloating,
- diarrhoea,
- rash,
- fatigue,
- headache,
- vertigo.

If you notice any side effects not mentioned in this leaflet, please inform your doctor or pharmacist.

Reporting of side effects:

If you are experiencing side effects, inform your doctor or pharmacist. You can also report your side effects to SAHPRA via the "6.04 Adverse Drug Reaction Form" found online under SAHPRA's publications: <http://www.sahpra.org.za/Publications/Index/8>. By reporting side-effects you can help provide more information on the safety of LOCAL HEALTH HERBAL CALM.

5.How to store LOCAL HEALTH HERBAL CALM.
